# Demographics

## AGOURA HILLS OVERVIEW

Located in the Conejo Valley, Agoura Hills provides one of Southern California's best quality of life. Both executive and affordable housing, some of the top schools in Southern California, ample open space, and access to both the Santa Monica Mountains and Malibu make Agoura Hills a prime destination for maturing millennials looking for home ownership and exceptional communities to raise a family. The rare combination of outstanding demographics and premier housing make Agoura Hills a best-in-class city within the Conejo Valley. Nearly 400,000 people live within a 10-mile radius of the Agoura Hills Medical Plaza, with annual healthcare expenditures averaging more than \$12,000 per household.

The outbreak of the COVID-19 virus (novel coronavirus) since the end of January 2020 has resulted in market uncertainty and volatility. While the economic impact of a pandemic disease generally arises from the uncertainty and loss of consumer confidence, its impact on real estate values is unknown at this stage.
